prompt: "I've think I've got to break up with me \_\_\_\_\_" (insert anyone incongruous....not a girlfriend/boyfriend/spouse)

Dropped D tuning

D                                  D/F    G  
Watching the numbers crawl  
D                  D/F    G  
all across the wall  
D                                  D/F    G  
Feel my heart drop when they fall  
                                D    D/F   C    F  
Makes me think

Makes me think I've got to

Makes me think I've got to break

Makes me think I've got to break up

Makes me think I've got to break up with

my stockbroker
