Leaving...coming back

I 'm leaving to find my behind (popcorn)
Cause it went through that door
before I was ready

I'm lost, I went to go find
myself. If I should return before I get
back, please ask me to wait. (andriand)

Dallas didn't work for me she pushed
me out the door. (popcorn)

kent522: dallas wouldnt sleep with me,
she hated the way I snore

kent522: I once left now I feel I am right, I
am leavin' Dallas tonight

I hate to see her leaving me
but I love to watch her go (andriand)

CHORUS:

 G F
I'm leaving, I'm leaving
 C7 G
Just watch me walk right out that door
 G { } F7 , C7
I'm leaving, I'm leaving
 C (G7) C#7 D7 G
Don't believe I'm ever coming back....here anymore.
